FUND YOUR 2025 PROJECTS WITH COMMUNITY CHEST

The Radius Community Chest 2024-25 is still open for groups to apply for funding from £250-£1000.

So far this year we have funded 22 projects totalling £15,000. Projects have varied and included schemes applying for gardening equipment and furniture, games for the common room such as boccia and bingo equipment, board games and arts & crafts workshops.

At Christmas time residents in Portglenone successfully received funding to attend the Cinderella Panto Theatre at the Mill Newtownabbey, for many of them this was the first time at the panto and a great opportunity for neighbours to get together in a fun environment. What made it even more special was having a photo taken with Prince Charming at the end of the show.

Hong Ling Garden residents successfully received funding to celebrate the Chinese New Year. Residents will have the opportunity to enjoy a feast among friends and family.

Has your scheme applied for a Community Chest grant?

Is there a particular project that you would like to see take place in your community but not sure whether you would meet the criteria or eligible to apply?

Speak to your Scheme Coordinator/Housing Officer. We are particularly keen to hear from groups that are applying for the first time.

** STORM ÉOWYN ** IMPACT AND AFTERMATH

At the end of January, Storm Éowyn battered the UK and Ireland, leaving behind a trail of destruction.

Many of our tenants, schemes and care homes were affected, with some experiencing both loss of power and property damage.

The impact will be felt for weeks to come, and we appreciate the patience of tenants affected as our Customer Support and Repair teams work around the clock to ensure the health, safety and well being of all our tenants affected by the storm.

TENANT SURVEY & RESEARCH 2025

Radius Housing have asked an independent research agency Service Insights to carry out a large-scale satisfaction survey in February and March to collect feedback from tenants on the services we provide.

The survey should take about 10 minutes to complete, and tenants will be randomly selected to participate.

Would you like to feature in the next Radius Mail newsletter?

Please speak to your Scheme Coordinator, Housing Officer or email us at: tenant.engagement@radiushousing.org

HELP US SHAPE THE FUTURE OF OUR RESPONSE & REPAIR SERVICES

Following feedback from tenants we are going to organise a **Service Improvement Group** to review our **Response Repairs contracts**, which started in **September 2023**.

This group will consist of tenants and staff who work together to generate ideas and suggestions with the aim of making improvements and managing expectations.

On **Tuesday 18th February at 11am**, Tenant Engagement will host an information session, via Microsoft Teams, giving an overview on the Response Contracts and what is expected as part of the Service Improvement Group.

If you would like to register your attendance speak to your scheme coordinator/housing officer or email: tenant.engagement@radiushousing.org
